	7:30	1 st vs 2 nd	3 rd vs 4th	5 th vs 6th
	8:00	7 th vs 8th		

This is a coed fours league consisting of 2 males and 2 females on the court. Teams must have a minimum of three players on the court. No more than 2 male players can be on the court per team. Teams can have more than 2 female players. **Subs can play only on 1 team during the season.**

A female or a male does not have to make contact with the ball during play.

Matches will consist of 2 games to 17 with a cap of 19 points. The team that wins will circle their team number on the record sheet. If same team wins twice, circle your number twice. If teams split, then both teams' numbers should be circled.

There is no finger tipping, open hand set overs or open 2 hand attacks of the ball over the net.

A designated captain will represent each team and understand and explain the rules to their teams. If captains cannot agree on a dispute during match play, then there shall be a replay at the same score as before the dispute. This is a "self refed" league and therefore teams should do their best to make the correct calls.

Generally matches are played regardless of weather. Teams should always report prior to their game time. Games only will be delayed or cancelled if there is lightning or tornado warnings. This decision will be made no sooner than 5:45 pm at the courts by the team captains.

We will make every effort to stay on schedule each night. Matches may even start earlier than the indicated time as the night progresses, so teams need to be ready to play when their designated court is open.

There is overflow parking in the grass lot by the pool if the paved parking lot is full.

On August 29th we will have a position night play-off after the first of hour of regular season games are completed. This will be a best of 3 format with all games going to 17 points with 19 point cap.
