Always Kreative Cakes

Is it time to celebrate? If so, celebrate with a cake from Always Kreative Cakes. These are custom designed cakes (and more) made to order. If you can dream it, Kim can design it.

Always Kreative Cakes is owned by Kim Grandy who works out of her home in Thomas Township. Always Kreative Cakes has been in business since June of 2010 making cakes, cupcakes (filled or not), cookies, cake pops, holiday treats, caramel apples, and more.

Hours are flexible and by appointment only. Since everything is made fresh there is nothing set to the side for drop ins! Make an appointment today to make your celebration special!
