

Culver's was born in Wisconsin and our local Culver's makes its home at 8100 Gratiot Road.

The restaurant is opened Monday through Sunday from 10:00 a.m. until 10:00 p.m. and employs thirty-three (33) individuals. It is best known for its ButterBurgers, the most popular being the Culver's Deluxe and fresh frozen custard, featuring sundae favorites, caramel cashew and the turtle sundae.

They also feature fresh salads, specialty sandwiches, fish, pork tenderloin, real mashed potatoes, kid's meals and more.

Their frozen custard is made in small amounts continuously throughout the day (every two hours a minimum) in chocolate and vanilla with a special "Flavor of the Day" each and every day. There is also a variety of topping combinations available including candy toppings, nuts, flavorings, fruits and more.

The ButterBurgers made by Culver's are made from fresh meat, with a bun that is lightly brushed with butter and grilled.
