

Thomas Township Featured Business

Splendid Events

Six years ago Andrea was helping her husband with his D.J. company which caters towards weddings. While helping her husband Andrea found herself helping the couples to be with the planning and coordination of their weddings quite often. It was then Andrea realized she had a passion and enrolled into a certification program designed for wedding and event planning. Upon graduating Andrea was able to begin Splendid Events from her home. Now, Splendid Events has expanded into a storefront location. Splendid Events can do more than just weddings though, they also assist in planning parties and community fundraising events of all kinds.

Splendid Events now has one full time as well as 2 part time employees to help with any and all planning needs. Splendid Events offers wedding/event planning and coordination, vendor referrals, wedding and anniversary officiant, and event concierge for corporate and charity organizations. Splendid Events also specializes in elopements (also known as pop up weddings). These type of weddings come on demand with an officiant, flowers, photographer, and more all for a private ceremony or small group of ten or less at your favorite Michigan Destination!

Hours of Operation:

Sunday: Closed
