

Beagle Construction

Since 1975 Beagle Construction has been building custom homes. Founded by Thomas Beagle, their office is located at 9742 Gratiot Road in Thomas Township.

Beagle Construction averages 20-24 residential and commercial projects per year. These homes are on the forefront of energy efficiency and green construction trends. The company prides itself on its use of eco-friendly supplies and state-of-the-art insulation.

In addition to custom homes they also offer remodeling, additions, commercial work, and pioneer cabinetry.

Beagle Construction has been a member of the Home Builders Association for over twenty years and is available at their office Monday through Friday from 7:00 am until 5:30 pm or visit their website www.beagleconstruction.com.
