Mary's Creative Cakery

Mary's Creative Cakery has been in business for almost 40 years and began as an in home business. Their first storefront location opened in 1999 and has now moved over to 7075 Gratiot Road, across from Jack's Market, after purchasing the building.

Since the purchase, Mary's is excited to bring in new businesses to the building as well as being able to offer a variety of classes including cookie & cake decorating or candy making. Mary's is known for their frosted sugar cookies but they have a variety of other sweet treats and also make specialty cakes for weddings and other special occasions. Let the talented staff of 13 people at Mary's create the perfect sweet for any occasion you may have! The recently purchased building also has a beautiful atrium where Mary invites you to sit and enjoy the view, bring some coffee to go with a sweet treat or just bring a lunch and relax.
