

Mid-Valley Insurance

Getting its start as an independent insurance agency back in 1931, and now in its third generation of service, The Radewahn Insurance Agency, now known as Mid-Valley Insurance, incorporated in 1971. Along with other agencies a multi insurance company was formed having specialists in both business and personal insurance. As the years have passed, several other agencies were acquired and financial services were added. The goal of these services is to assist the customers with retirement planning and coaching in financial affairs. Even though they are now doing business in several states, Mid-Valley Insurance has been located in Thomas Township since 1961 and this remains their world headquarters.

Mid-Valley Insurance employs 18 specialists who can assist you with all aspects of insurance, home, auto, business, life, health, workers compensation, Harley Group Motorcycle, recreational vehicle, farm equipment and more. They also offer specialties such as dental office and professional liability as well as the Harley Davidson Group.

The office, which is located at 9080 Gratiot Road, is open Monday through Friday 8:30 am to 5:00 pm or anytime by calling (989) 781-3070 for an appointment. You may also visit their website at www.midv.net
