Located at 1435 South Thomas Road in Thomas Township, Mueller's Valley View Farm Golf Course is now in its fourth generation of family employment.

The course originally operated by Karl and Betty Mueller opened in the spring of 1977. The course was designed by Karl and his son Bob enhanced by its natural hills and ponds.

Mueller's is a public course but does offer seasonal memberships. They do have a light snack bar with adult beverages as well as a pavilion that can be rented for outings.

Fifteen (15) full and part time employees strive to bring a warm and friendly atmosphere filled with a day of fun for their customers.

Mueller's is opened seasonally from the start of "good" spring weather until the late Fall. You can contact the course by calling (989) 781-1248 or visit their website at www.valleyviewfarmgolf.com
