

THOMAS TOWNSHIP FEATURED BUSINESS

SHIELDS WIRELESS

In the wireless communication business since 1995, Mike Sanchez opened Shields Wireless in Thomas Township in July 2013. As he states, he is “committed to providing honest, knowledgeable advice and serve to accommodate all your cell phone needs.”

The business which is located at 8050 Gratiot Road, carries a large variety of new, used, and refurbished phones. They can accommodate everyone’s needs with their wide variety of prepaid services. You can actually keep you existing handset, phone number and carries and they can “flash” the handset to make your monthly cost lower with no contract.

Shields Wireless also offers premium cell phone and iPod accessories. They also buy, repair, and recycle most phones.

Mr. Sanchez would also like to thank the community for their overwhelming response so far and is very happy to be a part of the Thomas Township community.
