## The C Room Event Venue

Looking to host an event and want to keep it right here in Thomas Township? Take a peek at The C Room Event Venue. The C Room is able to host a multitude of different events for almost any need, including baby or bridal showers, lunches, birthday parties, family gatherings and more. The venue can hold up to 75 people with tables and chairs or over 100 if you only need chairs.

Christal Taylor-Lawson is the owner and operator of The C Room and believe it or not, her business began with her wedding. Christal purchased every item for her wedding which led her to start her own rental inventory and create Christal Clear Investments LLC in 2014. Two years later Christal decided to expand to a storefront location and host events as well as rent out linens and event décor. Rental of linens and décor include chair and table covers, chair sashes, table runners, centerpieces, backdrops, arches, up lighting and candle holders. The C Room is available to rent seven days a week from 8am until midnight.
