## Thomas Fuel & More (Marathon)

Make a quick trip while you are out and about to Thomas Township's newest gas station. Everyone in the family should be pleased because there is a wide variety of drinks, snacks, convenience items and more.

The owners have operated as a business since 1992 in Flint Township. While the owners were looking to expand, they found the perfect property here in Thomas Township. Often when you stop in you will find items on sale, and friendly staff waiting to help you as well as competitive gas prices. They are planning on having Lottery soon as well as having minnows in stock in time for the Walleye fishing season.
