**Next week, August 11<sup>th</sup> will be Play-off Night. This night will not count towards the final standings but is intended to get a chance to play some of the teams one more time. All teams should be guaranteed 3 matches (Best of 3 Format) unless we run out of daylight to play. We will try to follow what was provided in the original schedule for August 11<sup>th</sup>. Further instructions of the play-off format will be provided next week prior to playing.**

**Thank you for your participation. It was a great time and thank you for the excellent sportsmanship displayed by all the teams this year!**
