

## **Wanigas Credit union**

Wanigas Credit Union began its reconstruction of their current Thomas Township location almost two years ago. Located at 9030 Gratiot Road, Wanigas prides itself on outstanding member service.

The credit union began back in 1956 with the merger of two existing credit unions to form Wanigas, which incidentally is Saginaw spelled backwards. Today with over 27,000 members they reach the tri-cities and beyond.

Wanigas tailors its services to meet the needs of their members. They offer savings programs, checking accounts and a full range of loan products.

There are no fees/closing cost loans (except mortgages) available and auto refinancing with no payment for sixty (60) days with rates as low as 2.99%. Wanigas offers specials for first-time buyers on their mortgages also. (\*\*Rates may change \*\*Exclusions apply)
