

# Thomas Township Featured Business

## Great Lakes Ice Cream Co.

If your looking for a tasty treat this summer, stop on by the Great Lakes Ice Cream Company! Great Lakes Ice Cream is a locally owned company with 2 locations, one of which is right here in Thomas Township. The Company creates their own ice cream on site using cream from a small family owned dairy farm.

Stop in to try some unique flavors such as a locally sourced maple ice cream, the ever popular Pictured Rocks Ice Cream which is a fudge and caramel delight, or Saltmine Detroit which is a salty caramel with locally roasted peanuts and chocolate covered English toffee pieces. You could also check into some of their very unique flavors coming out this year including pickle based flavors, cheddar cheese and more! Grab it to go in a homemade waffle cone or chocolate dipped cone or just in a bowl. They also offer shakes, sundaes piled high with toppings and floats.
