WHAT IS DAY CAMP?

Each of our camps are designed to build self-esteem while promoting self-confidence and leadership. Our daily programs encourage children to participate in activities that will help them grow socially and physically while interacting with other children and making new friends!!!

We have different themes each week. All crafts, games, and snacks during the week will reflect that theme. Not only is this exciting and fun for kids, it is also an educational experience.

Children will be able to use their creativity while making crafts, participating in adventurous games and contests, getting exercise while swimming at the pool, being able to catch fish in the Roethke Pond, and even experience an off-site field trip most weeks.
