About Our After School Program

Our After School Program invites students to explore nature's wonders through engaging, hands-on learning experiences. From creative projects and science experiments to outdoor exploration and discovery, each day offers opportunities to learn, imagine, and grow.

What else to Know!

Age: Students in grades K-5 are welcome!

Time: This program runs from 3:30-5:30 Monday-Friday. Drop off is no earlier than 3:30 and pick up is no later than 5:30.

What should students bring? The students have access to areas to hang up their back packs and lunches that they brought to school earlier that day. No toys, electronics, or devices from home will be used during this program. We will provide a snack for the students every day!

What should students wear? Closed toed shoes, comfortable clothes, and layers!

Registration & Schedule

Registration Information

Each child must be registered for the After School Program **through the Thomas Township Parks and Recreation Office or online at thomastwp.org Registrations will not be accepted at the Nature Center.**

The Program is divided into three trimesters. Families who pay for the full trimester at the time of registration will receive a $10/week discount.

Trimester 1: August 24th - November 20th (13 weeks)

Trimester 2: November 23rd - March 5th (15 weeks)

Trimester 3: March 8th - June 8th (13 weeks)

Weekly options are also available

Resident Per Week

1st Child: $110

2nd Child: $100

Non-Resident Per Week

1st Child: $140

2nd Child: $125

Payment is due 1 week in advance to secure your child's spot.

Hassle free after school drop off is available for in-district Swan Valley students.
