Chulas is a family run business with just two employees that opened its doors on April 6, 2015 at 7755 Gratiot in Thomas Township. Sisters and Partners Maria Barron and Janie Escamilla conceptualized Chulas after many road trips back to their home state of Texas and were always bringing different items back that were requested by family and friends. These trips brought the idea to light that it was time to do the same for the people of our community, and they opened up Chulas. Chulas has a variety of new products coming in every month so there will always be something new to see.

To see what Chulas has to offer stop by anytime Mon through Friday from 10 am to 7pm, or Saturday from 10 am to 5pm. Chulas is located at 7755 Gratiot Rd. Suite 5.
