

## **Homecraft**

Started as a remodeling company in 1974, Homecraft Building was transformed in the late 1980's to a company that specializes in storage sheds. The company originally started in Old Town Saginaw and moved to Thomas Township in 2003 because it was a good area for business with friendly people.

Homecraft is located at 10255 Gratiot Road and is a licensed builder with three employees specializing in high quality work and competitive prices on storage sheds, decks and garages.

Hours are seasonal, Spring, Summer and Fall from 9:00 am to 4:00 pm. You can contact Homecraft by calling 781-0617. Or visit their website at [www.homecraftbuilding.com](http://www.homecraftbuilding.com).
