

Now Hiring for Future Elections!

- No felony or election crime convictions

- Instructing and guiding voters through the voting process
- Transporting election results to the Deputy Clerk at the end of the night

Political Party Affiliation:

Applicants must declare a political party affiliation. "Independent" is not a recognized party in Michigan. Election Inspectors are assigned to polling locations based on party affiliation. Election law requires each of the two major political parties, Democratic and Republican, to be represented in each voting precinct as equally as possible.

Assignment and Training Information:

- Your name will be placed on our inspector list. Thomas Township cannot promise that you will work each election. Inspectors are assigned based on the type of election and the number of inspectors needed to administer the election.
- Prior to each election, invitation to work and assignment notification will be sent via email or mail. Inspectors are also needed for the substitute inspector list, so even if you are not assigned to an election, you may still be called on to work.
- Paid training is provided.
